

**PACIFIC COAST FOAM PROVIDES INTERIOR AND EXTERIOR ARCHITECTURAL ACCENTS FOR MORRIS CERULLO WORLD EVANGELISM OFFICES IN KEARNY MESA**

SAN DIEGO - September 23, 2002 - Pacific Coast Foam (PCF) has provided the custom interior architectural accents for the Morris Cerullo World Evangelism offices at 3545 Aero Court in Kearny Mesa, according to Scott J. Buckley, vice president of sales and marketing for PCF, San Diego's largest supplier and installer of expanded polystyrene (EPS) foam architectural shapes and accents.

PCF's work is highlighted by the manufacturing of custom light cove molding installed in the office's entryway, as well as fluted columns with an archway pediment and a suspended dome with a light cove installed on a T-bar ceiling.

PCF/Install performed the installation of the custom foam accents. PCF also fabricated and provided exterior foam accents to Ghianni- Larussa, a Lemon Grove plastering company, which installed the exterior facade on the building. The general contractor was Starrett Construction and the design architect was Bruggess Rosedale.

PCF and PCF/Install are located at 8585 Miramar Place, San Diego 92121. The telephone number is (858) 455-1274 or the company can be reached toll-free at 888-511-FOAM (3626).
